

During 2015/16 Council completed Stage 2 of the Town Revitalisation Project expending \$132,000 on the project which included the following:

- Community Litter Bins project – depicting historic scenes and local students artwork
- Wildflower Mural
- Extension of footpaths – including kerbing and bollard installation
- Street furniture installed at various parks and bench seating in Main Street
- APC shelter in conjunction with Three Springs/Arrino RSL
- Planting of native trees with the assistance of again of local studetns

The project was achieved through funding received from Mid West Development Commission, Department of Transport and Shire of Three Springs. Contributing to the project were members of Mingenew Painting Group, Meedac, Three Springs Primary School Students, Three Springs/Arrino RSL branch members, community members and staff of Shire of Three Springs.
