Council Role:

- ☐ Advocacy When Council advocates on its own behalf or on behalf of its community to another level of government/body/agency.
- ☒ Executive The substantial direction setting and oversight role of the Council e.g. adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.
- ☒ Legislative Includes adopting local laws, local planning schemes and policies.
- ☐ Review When Council reviews decisions made by Officers.
- ☐ Quasi-judicial When Council determines an application/matter that directly affects a person's rights and interests. The judicial character arises from the obligation to abide by the principles of natural justice e.g. local planning applications, building permits, other permits/licences (e.g. under Health Act, Dog Act or local laws) and other decisions that may be appealable to the State Administrative Tribunal (SAT).

Report Purpose:

That Council adopts the draft Local Heritage Survey and endorses the associated public consultation. Once public comment is received Council will be requested to adopt the Local Heritage Survey.

Background:

Laura Gray of Heritage Intelligence (WA) has been contracted to undertake a review of the 1996 Shire of Three Springs Municipal Inventory of Heritage Places.

The review is undertaken in consideration of the Department of Planning, Lands and Heritage's guidelines; *Criteria for the assessment of local heritage places and areas* as recommended in *State Planning Policy 3.5 Historic Heritage Conservation*.

Assessments determine levels of significance for each place in consideration of the overall context of the Shire's towns and district. The levels of significance are consistent with the required categories (Heritage Act 2018).

Laura Gray presented an overview of the review process to the Council on 22 November 2021 and discussed the implications associated with the Heritage List.

The draft report comprises recommendations for the Local Heritage Survey and the places within that survey that form the Heritage List for conservation guidance through the provisions of the Shire's planning scheme and a local planning policy.

Officer's Comment:

The draft report summarises the recommendations for the Local Heritage Survey and the places within that survey that form the Heritage List for conservation guidance through the provisions of the Shire's planning scheme.

55 places are recommended in the Local Heritage Survey, many of which were mentioned in the 1996 heritage inventory. Some places still require information to identify and/or inform of their history.

The Council's endorsement of the draft report for community consultation is an integral part of the review process as it engages with the community to understand further, provide information, make connections and amend the draft document.

The Local Heritage Survey is a summary of the community's heritage, and having a role to be included, empowers them as the custodians of this heritage.

Laura Gray is available for any public or less public meetings regarding any concerns or queries that property owners may have, particularly concerning the proposed Heritage List, in the company of a Shire Officer.

Consultation:

No community consultation has taken place to date. The Council discussion at the previous briefing has been informative.

As stated community consultation is an essential element of the consultation process.

Statutory Environment:

A review of the 1996 Heritage Inventory is a requirement of the Heritage Act 2018.

This review is in accordance with Part 8 of the Heritage Act 2018, which requires the identification of the "Heritage List".

Policy Implications:

A Local Planning Policy relevant to the Heritage List will be prepared as an integral part of the review process.

Financial/Resources Implications:

The Department of Planning, Land, and Heritage has funded 100% of this project via a grant of \$8,350.00 (exc. GST).
