

FREE SHOWERHEAD SWAP PROGRAM

The Shire of Three Springs is excited to offer a Free Showerhead Swap Program in partnership with the Water Corporation. Upgrade your old showerhead to a new, water-efficient model at no cost and help our community save water!

How It Works:

1. Register Your Interest: Complete the registration form to show your interest.
2. submit the form at the Shire office or via email at general@threesprings.wa.gov.au
2. Wait for Notification: Keep an eye on your email; we'll notify you when it's your turn.
3. Swap Your Old for New: Swap your old showerhead for a new, efficient model.
4. Enjoy Reduced Water Consumption: Start saving water and money with your new showerhead.

Benefits of Participating:

- Reduce Your Water Bill
- Conserve Valuable Water Resources
- Support Sustainable Practices

Limited Availability:

- Hi Rise Showerheads: 12 units
- Hand-showers: 9 units
- First Come, First Served!

This offer closes on 24 May 2024.

Visit our website or contact the Shire of Three Springs office.

Showerhead Swap Program Registration Form

Welcome to the Free Showerhead Swap Program, supported by the Water Corporation and the Shire of Three Springs. This form registers your interest in swapping your old showerhead for a new, water-efficient model. Please complete this form and wait for notification from the Shire before proceeding with the swap. Remember, you must exchange your old showerhead for a new one to participate. Showerheads are available on a first-come, first-served basis due to limited quantities.

How to Participate:

1. Register your interest by completing and submitting this form at the Shire office or via email at general@threesprings.wa.gov.au
2. Wait for notification from the Shire of Three Springs. You will be contacted to bring in your old showerhead.
3. Bring your old showerhead for exchange. You must swap your old showerhead for a new one.
4. Choose from the available water-efficient models when you come in—12 Hi-Rise and 9 Hand-showers available.
5. Complete the swap and enjoy the benefits of reduced water consumption!

Participant Details:

1. First Name: _____
2. Last Name: _____
3. Email Address: _____
4. Phone Number: _____

Property Details:

1. Property Address: _____
2. Suburb: _____

Showerhead Details:

1. Type of Old Showerhead: _____
2. Number of Showerheads Being Swapped: _____
3. Type of New Showerhead Chosen: _____

Thank you for participating in this important water conservation initiative. By swapping your old showerhead for a new, more efficient model, you are actively reducing water usage in our community. Please submit this form to register your interest and await our notification to proceed with the swap.
