PRESIDENT'S MESSAGE

Hello community,
Get ready for a very busy month with winter sports finals, WA Off Road Racing and school holidays. There are still plenty of tourists to our region, lots of wonderful feedback has been received through the Shire and the Visitors Centre. Every interaction you have with a visitor leaves an impression, so the residents and community members are our best ambassadors.

Spring is here and we're looking forward to some dry, sunny days ahead. Please take care when travelling around the district, especially the unsealed roads. Any concerns regarding the condition of the roads should be directed to Manager of Works Malcolm Elliot on 0427 541 202.

If you have any questions or feedback regarding the information in this newsletter or Shire activities, please contact me.

Tourist Feedback

It's a good little spot when to need to stop and clean up bit. An oval to walk around a few times, when you've sitting and driving for hours trying to get to your destination. I'd stay here again. Very clean and tidy toilets good too. Skate park for the kids. Camp fire at night.

Lovely short stay, clean toilets & hot shower facilities. Very nice spaced out van areas too! Supported local shops on our walk around the heritage walk! Would love to come again in Wildflowers season!

Thank you Three Springs, topped up our groceries, fuel and great butcher, lovely locals very welcoming. Fire pits and wood kindly provided by locals. Beautiful place next time will definitely visit the local for a meal.

What a great little spot for a over nighter. Plenty of shade and great fire pits and thank you to the young lady that dropped us off a bag of wood much appreciated hot showers and clean amenities. Went to the hotel for dinner best T-bone steak we've had in awhile. Will definitely be back

Spotless campsite and amenities. Showers are hot. A very safe feeling here. Not too many places to spend your money here as there are a lot of empty shops. IGA, butcher, post office and pharmacy open. Not many people in the main street and 4 Van's here by lunch with plenty of room with good level sites and fire pits. Thank you Three Springs.

Excellent quiet and tidy camp with great facilities. Well done Three Springs township

2 nights last weekend. Nice spot, parked up on oval side not too far from ablutions which were sensational. Walked everywhere, dinner in pub Sat night & IGA well stocked. Credit to the town which seemed a very busy place for some reason.

Stayed for 2 nights - cannot fault in any way. Thankyou Three Springs for a wonderful area, clean toilets and showers, bins and campfires. Big flat area for many vans. Can walk easily into town, we spent at IGA, post office and pub. Highly Recommended for a stopover.
