What's Up in the Night Sky?

With Carol Redford and Donna Vanzetti

Appreciating the Darkness

We are so fortunate in our region. With low levels of light pollution, we have one of the best dark night skies in the world. Around the world, 2-3 billion people can no longer see the Milky Way and yet here, we can see it every night in all its glory.

The dark night sky is the only place where you can see this month's Southern Delta-Aquarids Meteor Shower. Towards the end of July, stargazers will be treated to a special display. Meteor showers occur as planet Earth crosses the orbital path of a comet. As a comet passes by the sun, the extreme temperatures heat up the nucleus causing debris particles to spread out creating a comet tail. When Earth passes through this cloud of debris, we see the fiery spectacle of a meteor shower as the debris burns up in our atmosphere.

The peak of the Southern Delta-Aquarids coincides with a new moon, meaning conditions are ideal to spot these 'shooting stars'. Meteors from the Delta-Aquarids are usually faint, so the best place for viewing will be in country WA. Hopefully there could be up to 25 per hour.

When and where to look: The Delta-Aquarids are active from 12th July to 23rd August. However, best viewing will be at the peak, around 2am on 31st July. Rug up warm, grab a hot chocolate and look high above the horizon in the north-eastern sky.

Enjoy a bumper month of cosmic views. For more "What's Up in the Night Sky?" stargazing tips, visit www.astrotourismwa.com.au.

Three Springs Primary School

Dear Parents, Carers and Community Members,

As I am writing this newsletter piece, I am hoping that the rain has arrived at your place over the weekend.

I am also hoping that the long weekend offered a valuable opportunity for you and your family to recharge and engage in activities that boosted everyone's mental health.

Engaging in activities that boost mental health can lead to improved mood, reduced stress, and enhanced overall well-being. Incorporating physical exercise, social interactions, mindfulness practices, creative pursuits, nature exposure, and rest into your weekend routine can provide substantial mental health benefits. By making deliberate choices to nurture mental health, we can create a more balanced and fulfilling life for ourselves and our family's.

ATHLETICS CARNIVAL 2024

To better suit the schedule of winter sport grand finals, the decision has been made to hold the 2024 Athletics Interschool Carnival on Friday, week 9, of term 3, in Three Springs. Friday 13 September 2024.

WA OPERA @ THREE SPRINGS PRIMARY SCHOOL

On Thursday, students were very privileged to be given the opportunity to participate in the WA Opera Sing-it- Out Loud workshop, kindly organised by the North Midlands Project. Students first learnt how to breathe: big breathe in and out and how to add sounds.

The presenters Ruth and Ben had a competition on who could breathe for the longest and then students competed against each other, holding the longest shhhhhhhh.

After warming up their breathing, they warmed up their voices and learnt to amplify the sounds using their body. They then warmed up their lips and tongues with a tongue twister;

'How much wood would a wood chuck chuck if a wood chuck could chuck wood.'

Ruth and Ben performed an Italian opera song and Rayne and Chase were given the opportunity to be conductors, changing the tempo and dynamic.

All students and staff thoroughly enjoyed the excursion

FORMER STUDENT RETURNS TO THREE SPRINGS PRIMARY SCHOOL

On Thursday 23 May, the students in Years 4-6 were treated to an awesome experience of what is possible with hard work and a 'never-give-up' attitude, from a former Three Springs student.

Riaan Greyling was a former student at Three Springs Primary School from 2006-2010.

In 2009, Riaan received the Citizenship Award and in 2012 he was a Student Councillor, and also received the Dux Award.

Moving on from Three Springs, Riaan went to Aquinas College, from 2011-2016, and then Murdoch University from 2017-2020 where he studied Environmental Science-Meteorology.

In 2022, Riaan enlisted with the Royal Australian Navy as a 2nd Lieutenant War Fare Officer.

Riaan talked to the students about his life in the Navy through a power point of amazing pictures.

Riaan showed the students pictures of ships he had been on and discussed places he had sailed to.

In quiet times on the ship he showed them pictures of fish caught and then cooked by the chef for the crew's evening meal.

What an experience for our students! It is important to remember that anything is possible if you really want to work hard to get there!

A very inspirational young man.

Three Springs Changemakers

The Three Springs Changemakers are a collection of individuals who wish to make a positive change to our community.

Five locals participated in the Community Builders program which involved a series of six workshops. These workshops were held throughout the North Midlands in 2023. We then followed this up with the Community Opportunity Workshop held at the Club in early March. Community members were invited to attend and discuss what they like about our town (and surrounds), what they would change and what we need to add or include. The results from this workshop will be distributed to those who attended or expressed an interest in attending.

Small projects which the Changemakers have already been involved with include the bring and share hutch at the Post Office where we are invited to share anything that we have too much of or just won't use, repainting the bench outside the Post Office and the lovely yarn hearts on the Post Office fence. A Meal 4 U is another new project as is this weekend's Buy Nothing Markets.

There is no committee, no meetings and no money. Just people who want to make positive change within our community. What can you do?

If you want to know more, feel free to contact Chris Lane, Jenny Mutter, Lexi Burgermeestre or Nadine Eva.

THANKYOU

It's a pleasure to be in a community that works well together as a whole team to create our enjoyable living space. Thankyou to all who volunteer their time and resources. Who contribute ideas and then bring them forward to create togetherness and unity. To charitable and free groups along with sporting clubs, to bring health and wholeness to community. It takes many parts to create a whole body of positive, caring and constructive people. Thankyou. Community members bringing forward issues to be sorted and corrected is helpful, many eyes make light work, so they don't become massive problems. To business who continue to work hard providing services to our peoples. You are appreciated.

Knit-A-Thon – THANK YOU

I would like to say a very special 'Thank you' to the Three Springs Craft Ladies for inviting us to hold this years Knit-A-Thon at their beautiful Meeting Room at the ECLC (Day Care) Centre. We all enjoyed a special day of friendship together being able to utilise our crafts to make rugs etc to better the lives of others.

Each year our local community donates blankets that have been knitted, crocheted or sewn to disadvantaged people in WA. This year, ladies from seven different towns were involved with making the rugs & beanies (Bindoon, Moora, Albany, Perenjori, Three Springs, Coorow & Carnamah).

This year we were thrilled to be able to donate 44 rugs & 28 beanies to Desert Blue Connect in Geraldton for distribution to needy persons throughout the North Midlands region.

Thank you to everyone involved for all the wonderful work that you have put into creating these beautiful rugs & beanies. Desert Blue Connect were absolutely thrilled with the quality and beauty of each item, and also the thought and care that had gone into making each one.

It is certainly amazing what can be achieved. All donations of rugs and materials are greatly appreciated. If you would like to be involved next year, please contact:

Rural Aid Services

In my travels talking to people I have been reminded that not everyone realises the practical assistance Rural Aid also provide. Especially when Farmers are facing or have experienced natural events such as fires, floods, cyclones and drought. So I've decided to use this month's article to highlight the support 'other than counselling' Rural Aid provides. Especially in these trying times.

Rural Aid currently supports around 18,000 registered farmers across all agricultural sectors in Australia and collaborates with over 60 small rural towns to foster community development. Our efforts predominantly support family-run farms, encouraging farming families to register and utilise our services to assist with resilience and growth.

Rural Aid began in 2015 with the 'Buy a Bale' initiative to help Queensland farmers in drought. At this time a lot of WA farmers assisted by donating hay and funds. This included WA farmers and truckies taking a truck convoy of hay over the Nullarbor. Rural Aid since then has expanded its services and initiatives to include, investing in strong communities, mental health counselling, disaster support, and support for sustainable agriculture practices. Rural Aid's central commitment remains providing support to farmers and rural communities in the recovery from Natural Disaster.

Below are the current initiatives assistance and services Rural Aid as a whole team working together provides.

Disaster Assistance:

- Fodder
- Domestic water
- Domestic water tanks
- Disaster Financial Assistance
- Farm recovery Events.
- www.FarmArmy.com.au free job hosting platform for Farmers
- [Free mental health and wellbeing](#) - counselling services
- "One conversation at the right time with the right person can change everything."
- Sustainable Ag Educational resources: [Rural Aid Education Funding](#)
- [Community Development Programs](#)
- Community Engagement

Accessing assistance does require Farmers to register online with Rural Aid and provide proof that they are a registered Rural Farming business. But registering does have its advantages. In the last few weeks farmers who had registered in the Southwest after the fire event in 2022 phoned and requested hay and water assistance. As their details were all set up the process to get this aid to these farmers was easier. Even where you may feel your OK now, registering does not mean you need help now and does not mean you have to talk to a mental health counsellor. But if in the future a natural event occurs Rural Aid will call you as you are registered. When in hard times you will be able to access assistance as the required registration paperwork has been done. Everything has some red tape.

For more detailed information about our initiatives and support, please phone 1300 327 661 or visit Rural Aids website at <https://www.ruralaid.org.au/about/>

Remember to look after yourself and those around you. You are the expert on how you are feeling both physically and emotionally. If you are struggling reach out and ask for help.

Removal of dog droppings Penalty: Varies Dog droppings are a source of annoyance to other users of footpaths and recreation areas. Most local governments have local laws that require the person in charge of the dog in a public place to remove their dog's droppings and adequately dispose of it.

Penalties for dog attacks Penalty: \$3,000 to \$20,000 Potential imprisonment A dog attack is a very serious matter. If your dog attacks a person or another animal, you will be held responsible even if you are not there at the time.

Dog registration Penalty: \$200 A dog owner is legally required to register his or her dog with the appropriate local government if it is more than three months old. Contact your local government for a registration form and list of applicable fees.

Registration tags Penalty: \$200 Your dog is required to wear a collar to which must be attached a valid registration tag. This tag will be issued by your local government when you pay your registration fee
