NOMINATION FORM- HERITAGE PLACES

The Shire of Three Springs has engaged a heritage consultant to undertake a review of the 1996 Municipal Inventory of Heritage Places, as required by the Heritage Act 2018. Since the 1996 heritage report, places, people and views on heritage have changed.

The Shire has engaged a consultant, Laura Gray, to undertake the review that includes community consultation. This is about your heritage.

Calling for nominations is a part of the process of community consultation. *(that will also include a public forum. Can do...)*
